

Special Note: Be sure to check with trail leader before monitoring to find out which boxes you should not open this week, due to chicks near fledging. Before you begin, draw a line through the row(s) for the box(es) you should NOT open this week.

Remember you need a Phillip's head screwdriver and small mirror. Date: _____

Box #	Species (See abbreviations below)	Empty Box	Partial Nest	Complete Nest	# Eggs	# Young	Age of Young (days)	# Fledged	Comments (Examples: Don't open box next time, Problems? Be specific)
1									
2									
3									
4
